

My last ever one

Seems weird to be writing my last ever weekly newsletter. I think its safe to say that when I wrote the first one back in 2007 I didn't anticipate writing 567 of them!

It has been an enormous privilege to lead the school for the last 15 years and see it grow and develop over that time. We have taken great strides but it has been a collective effort—staff, parents and of course the pupils themselves have all contributed to the improvements over time. There are lots of ways that we can measure success of schools—SATs results, Ofsted, popularity—but for me it is and always has been the kind of children that leave us in Y6. I am always immensely proud of the kind, thoughtful and well rounded pupils that leave us for secondary school. This year's Y6 cohort is no exception. Their leavers assembly was great in so many ways but not least the maturity with which they spoke about leaving Churchfields and moving on to the next phase of their education. They are self evidently very ready to make this transition and are a great embodiment of the school's ACE vision and values. Well done Y6

I hope that I'm also ready for the next phase of my life (whatever that involves). I can however leave confident in the knowledge that the school is in better shape than when I started. We have a great staff team, we are part of a supportive Trust, we are consistently over subscribed in Reception and we have engaged and supportive parents/carers. I have every reason to think the school will continue to thrive. Have a lovely summer break.

Y6 Leavers

Year 6 have had a great last week! They delivered a great leavers assembly showcasing their memories of their time Churchfields. What came across was not only how much they had grown and achieved but how much they had enjoyed their time with us. They then had a special Pizza lunch.

Thanks to Mrs Baldwin for organising this and Fireaway Pizza in Wes Wickham who gave us a great price! I know it was much appreciated!

They leave us to go onto their secondary schools with our best wishes for their future. We know you'll be great! Go and do us proud.
