

Performing Arts is Where it All Starts!

Drama, dance & singing for Rec-Yr3

Our little stars will be having a magical Encanto adventure this term with Mirabel and all her friends.

Your own Little Star can join the fun at our classes

Each week our creative classes will introduce your child to special songs and dances based on this hit movie.

At the end of term you can see for yourself how much fun they have had by coming to watch your child's Encanto show.
